

Tipping Point Leadership

Background Of Case Study

- **William Bratton - Police commissioner of New York city**
- **High crime rate - New York big apple referred to as Rotten apple.**
- **The 35,000 New York Police force were notoriously difficult to manage.**
- **Turf wars among top brass has on-going for 30 years**
- **Social scientists concluded that Police's intervention cannot stop New York's crime rate.**

How?

- How did Bratton turn around the entire 35,000 police work force in 8 years?
- December 2002 - Statistics revealed that New York overall crime rate is the lowest among the 25 largest cities in the United States

Mind Map

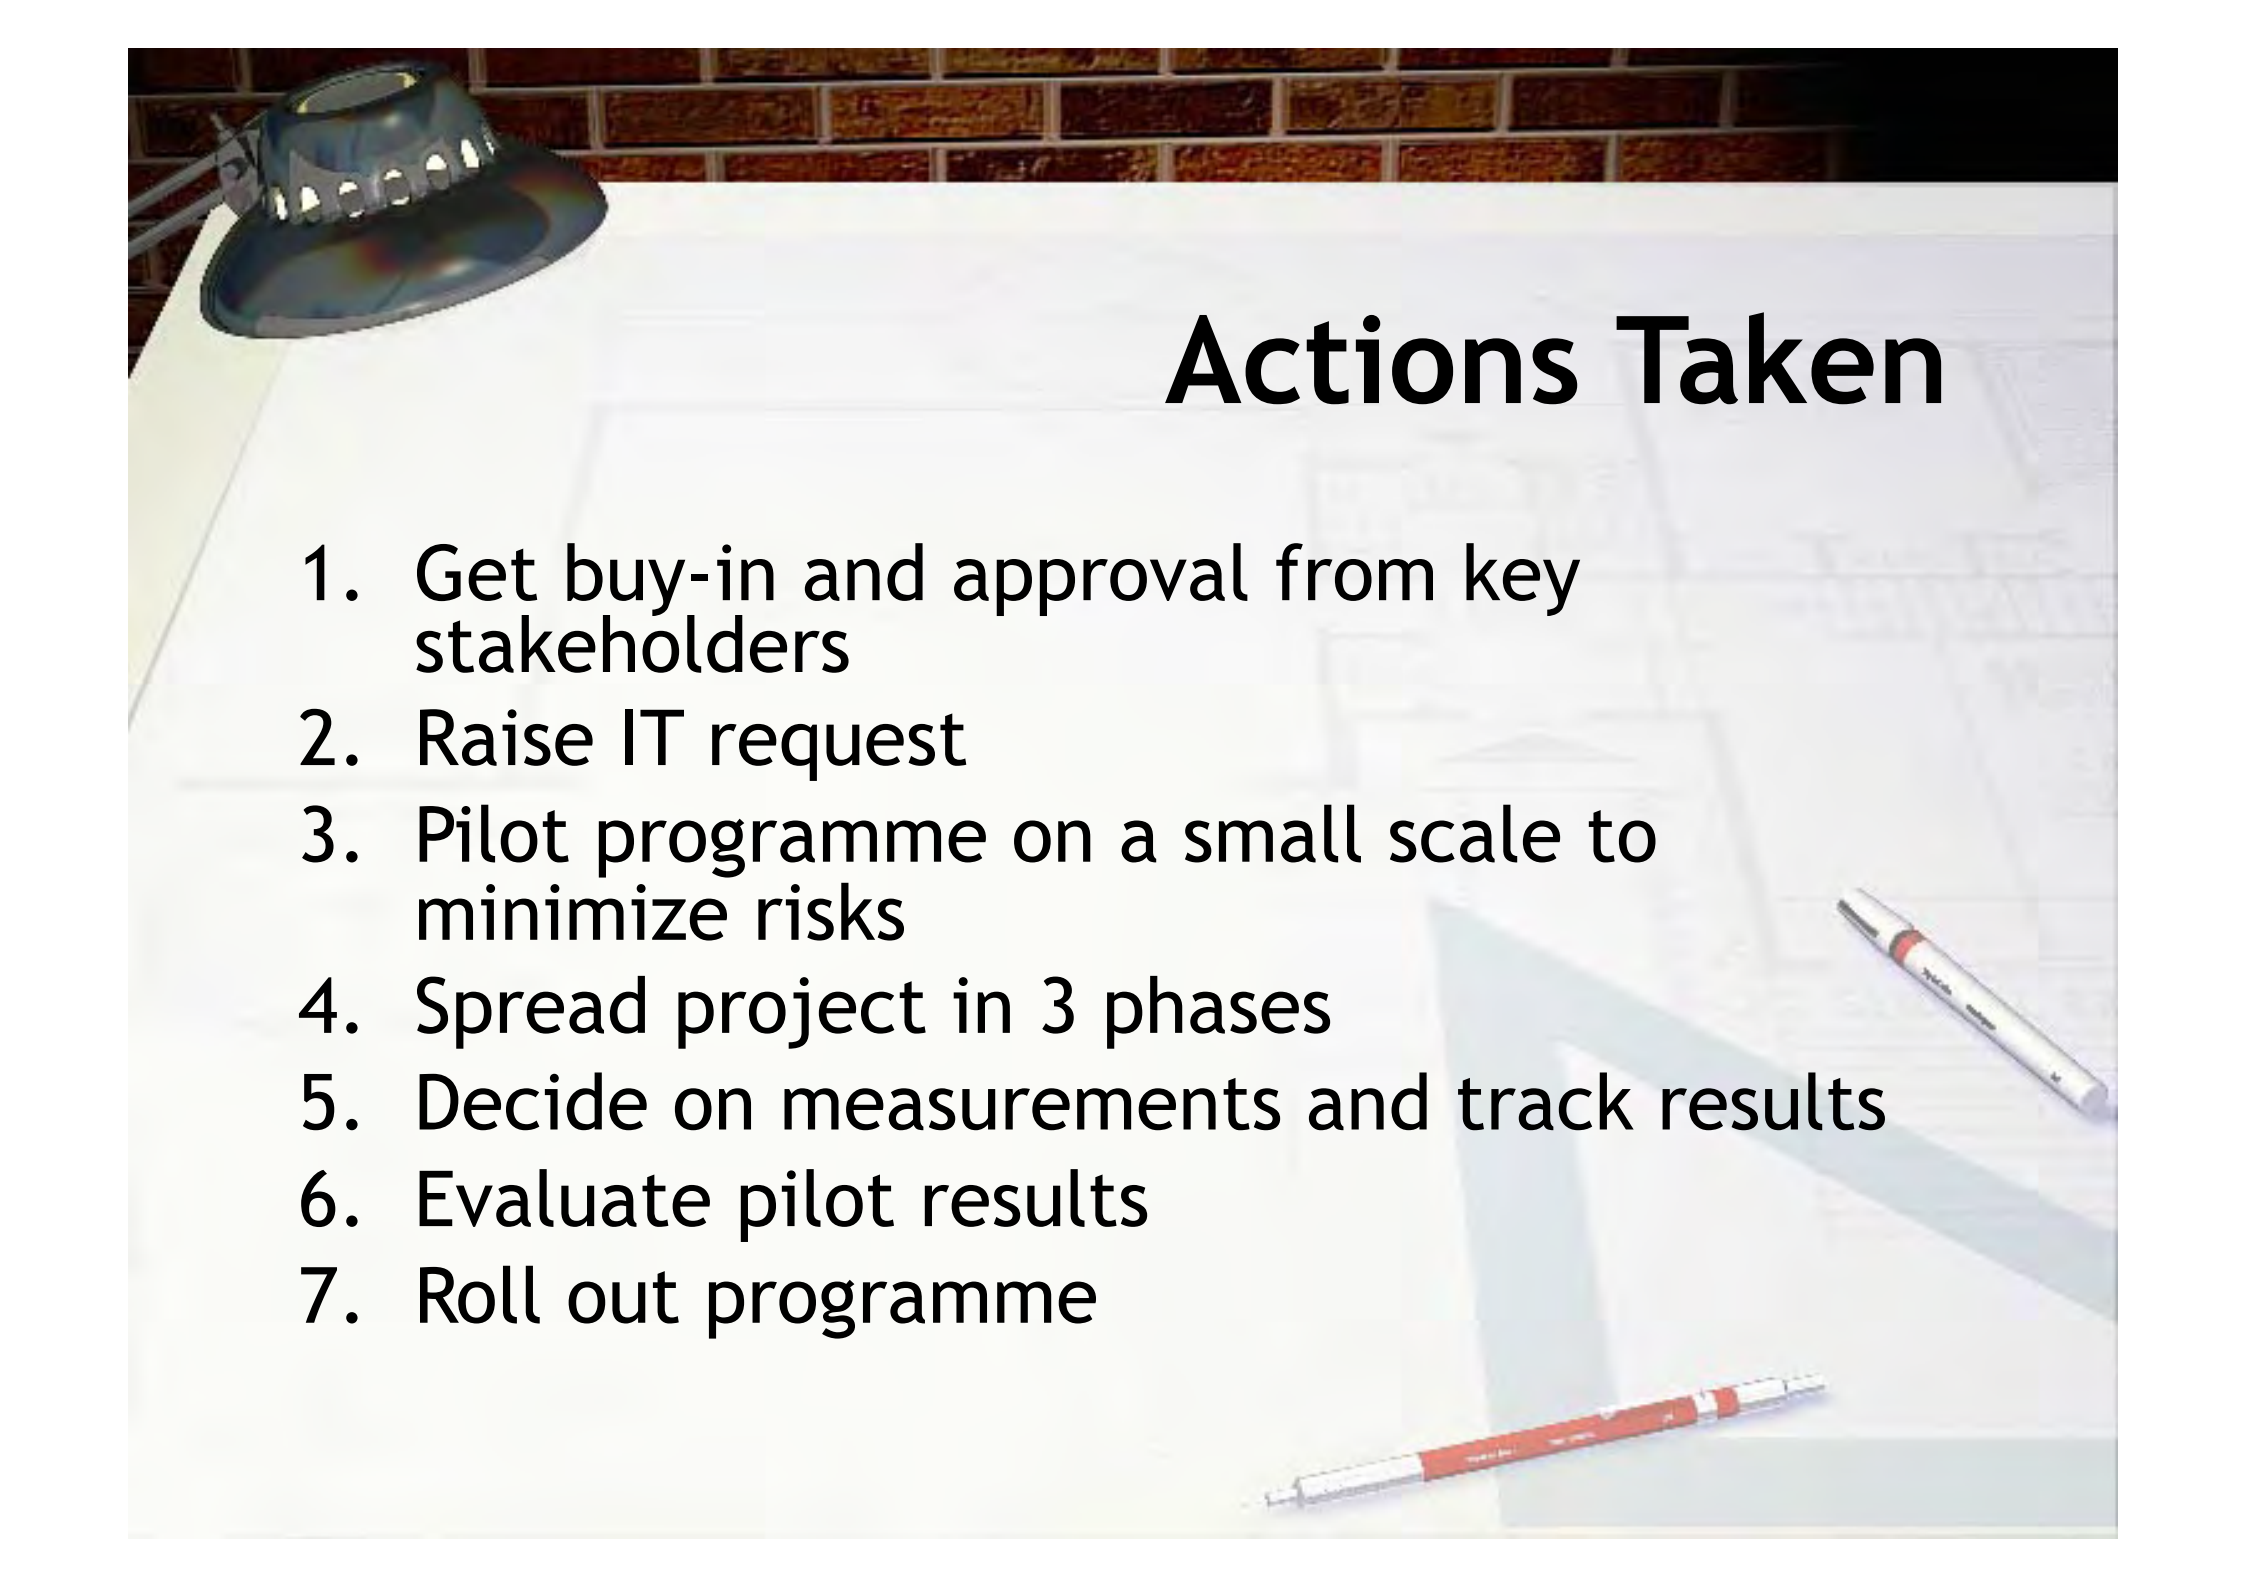

Organizational Change - Analyze Against Model

- Cognitive
- Resource
- Motivational
- Political

The background of the slide is a photograph of a desk. In the top left corner, there is a silver desk lamp with a white shade. The wall behind the desk is made of red bricks. A white document is spread across the desk, and the title 'Actions Taken' is printed in large, bold, black letters on the right side. Two pens, one silver and one red, are lying on the desk. The overall scene is brightly lit, suggesting a professional or office environment.

Actions Taken

1. Get buy-in and approval from key stakeholders
2. Raise IT request
3. Pilot programme on a small scale to minimize risks
4. Spread project in 3 phases
5. Decide on measurements and track results
6. Evaluate pilot results
7. Roll out programme

The background of the slide features a desk with a lamp in the top left corner, a brick wall at the top, and a faint blueprint or architectural drawing across the center. Two pens, one silver and one red, are visible on the right side of the desk.

Lessons Learnt

- Develop a strategist mindset
- Cognitive hurdle - Difficulty in getting key stakeholders to experience the problem
- Embrace and apply the success formula outlined in Tipping Point Leadership against all odds

The background of the slide features a desk with a lamp in the top left corner, a brick wall at the top, and a faint blueprint or architectural drawing across the center. Two pens, one red and one silver, are visible in the bottom right area.

Lessons Learnt

- Not all strategies can be applied in real life as every problem is unique
- Past failures is tomorrow Success!
- Importance of establishing a holistic strategy that builds on soft and hard skills

A desk setup featuring a lamp in the top left corner, a large sheet of paper with faint architectural drawings in the center, and two pens (one red, one silver) in the bottom right corner. The background is a brick wall.

Change Models : Applying What Your Knowledge

The background of the slide is a photograph of a desk. In the top left corner, there is a silver desk lamp with a glass shade. The wall behind the desk is made of red bricks. The desk surface is covered with papers, some of which have faint diagrams or text. Two pens, one silver and one red, are lying on the papers. The overall scene is brightly lit, suggesting a professional or academic setting.

Change Model ~ DVD

- Cognitive Hurdle
 - Modus Operandi - things have always been done this way
 - Lack of communication between surgeons and nurses, leading to rigid listing lists designed based on nurses' lunch hour
 - No one to oversee the problem
 - Need to overcome a culture problem to initiate change - too hierarchical

A desk with a lamp, a brick wall, and a blueprint. The lamp is on the left, casting light on the desk. The brick wall is in the background. The blueprint is on the desk, with two pens (one red, one silver) lying on it. The title 'Change Model ~ DVD' is centered on the blueprint.

Change Model ~ DVD

- Resource Hurdle
 - OTs were under utilised
 - Doctors do not work on Fridays - historical and became the “norm”
 - “Cover charge” imposed on Fridays
 - No continuity in the surgical process - e.g. lag time for surgeons between cases
 - Change: Eliminate the time lapse between cases by re-allocating manpower

A desk with a lamp, a brick wall, and a blueprint. The lamp is on the left, casting light on the desk. The brick wall is in the background. The blueprint is on the desk, showing a grid and some faint lines. Two pens are on the desk: a silver one and a red one.

Change Model ~ DVD

- Motivational Hurdle
 - Spotted and engaged key supporters who were keen to be the change agent
 - Ensured that views of all parties were heard

A desk with a lamp, a brick wall, and architectural blueprints. The lamp is a modern, adjustable desk lamp with a white shade and a silver base. The brick wall is made of reddish-brown bricks. The blueprints are spread out on the desk, showing various lines and shapes. Two pens, one red and one silver, are lying on the desk. The overall scene is a professional workspace.

Change Model ~ DVD

- Political Hurdle
 - Build alliance by involving all the key influencers in the trial - CEO, nurses, paramedics, etc
 - Brought in credible external consultant

A desk with a lamp, a brick wall, and architectural blueprints. The lamp is in the top left corner, casting light on the desk. The brick wall is in the background. The blueprints are spread out on the desk, with two pens (one red, one silver) lying on them. The title 'Q & A Session' is written in large, bold, black letters in the upper right quadrant of the image.

Q & A Session

- Name the four hurdles
- What is the final implementation?
- Give us any learning points gathered in this session.
